

Compounds drawn with condensed substituent labels, part 3

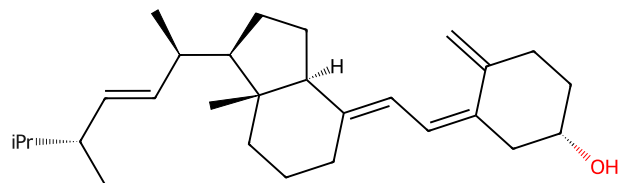

211 eletriptan

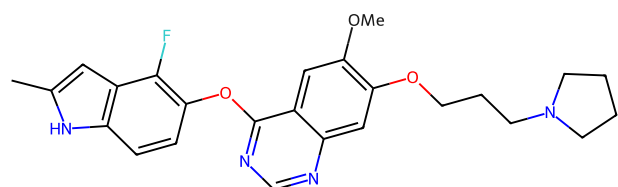

212 camizestrant

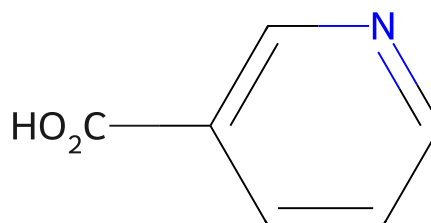

213 mesalamine

214 ergocalciferol

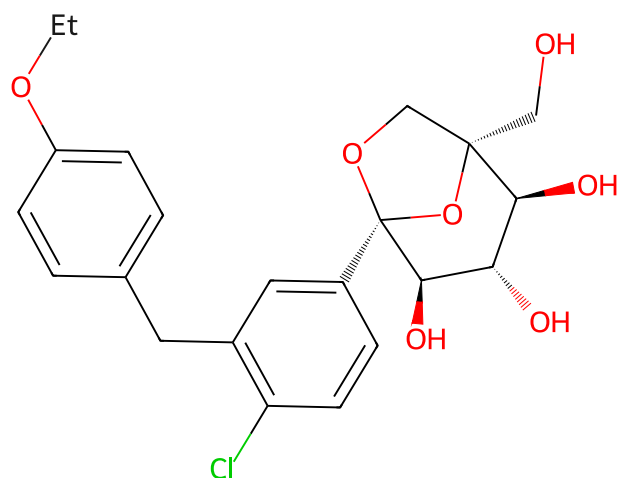

215 cediranib

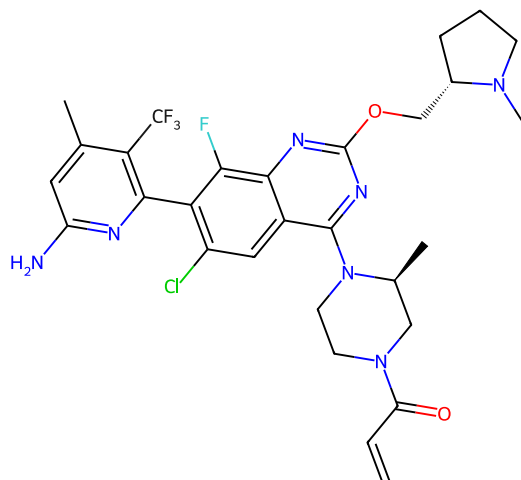

216 niacin

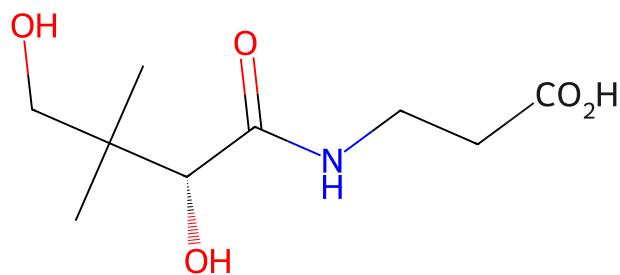

Compounds drawn with condensed substituent labels, part 3

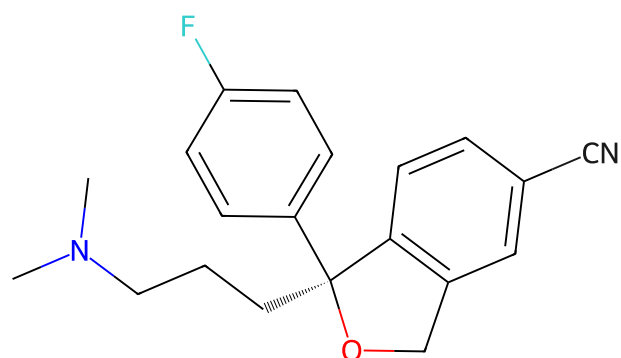

217 ertugliflozin

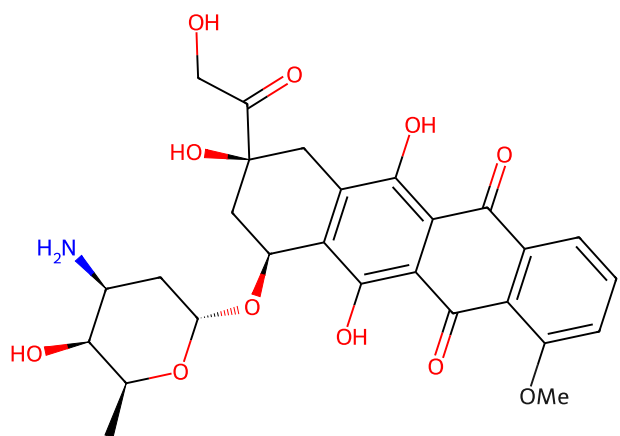

218 divarasib

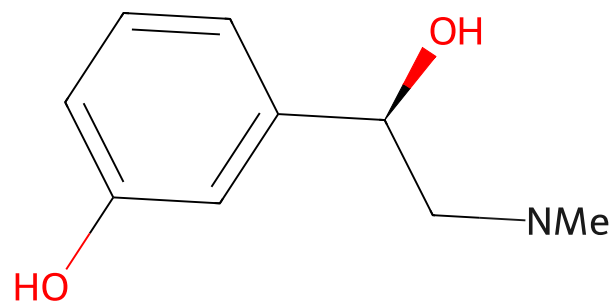

219 pantothenic acid

220 escitalopram

221 doxorubicin

222 phenylephrine
