

Compounds drawn with condensed substituent labels, part 8

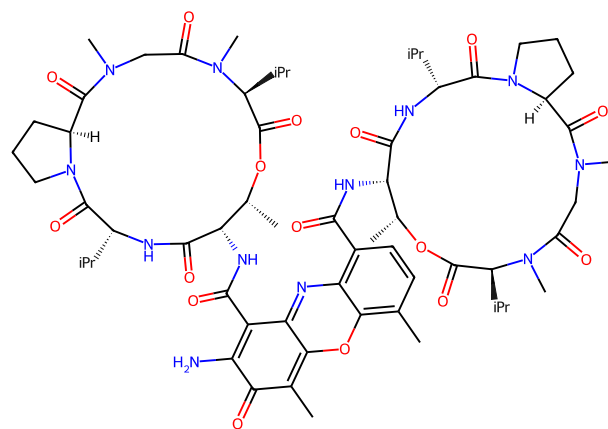

271 cyclosporin A

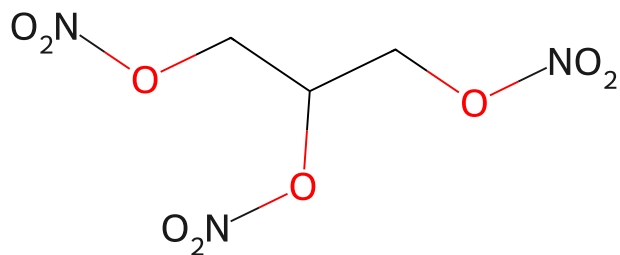

272 citric acid

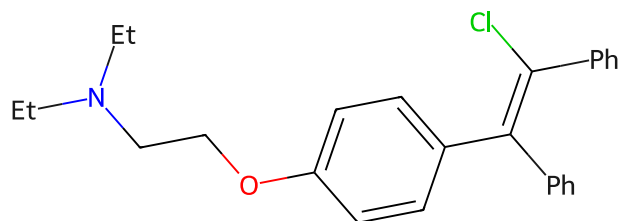

273 cefpodoxime proxetil

274 dactinomycin

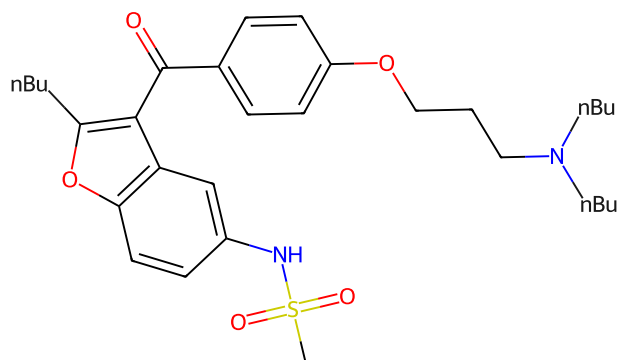

275 nitroglycerin

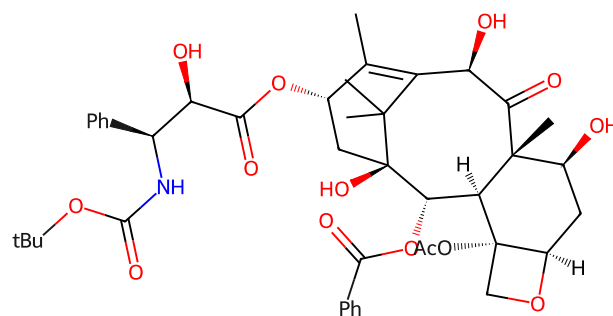

276 clomiphenes

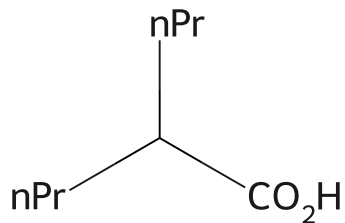

Compounds drawn with condensed substituent labels, part 8

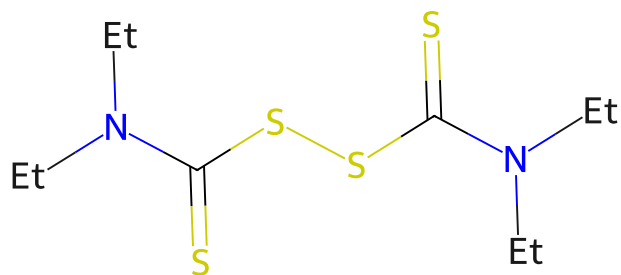

277 dronedarone

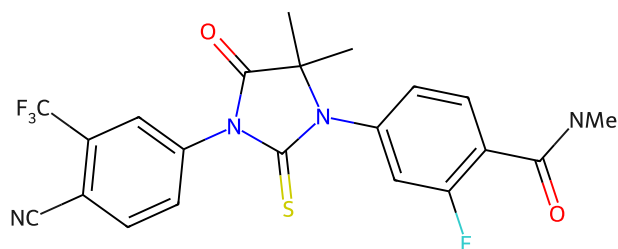

278 docetaxel

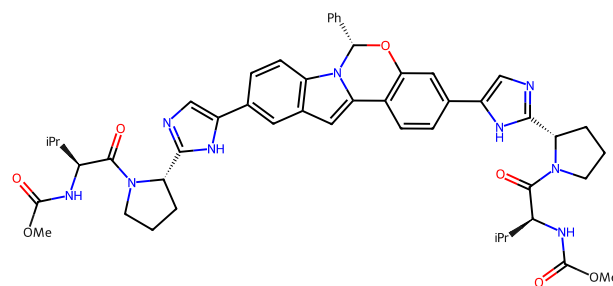

279 valproic acid

280 disulfiram

281 enzalutamide

282 elbasvir
