

Generic scaffolds with variable substituents, part 2

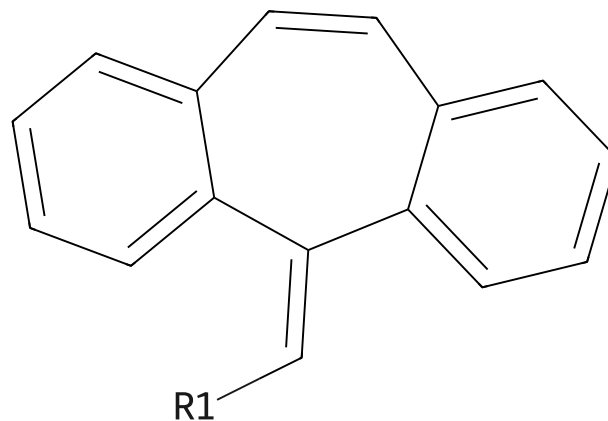

450 scaffold of ceralasertib

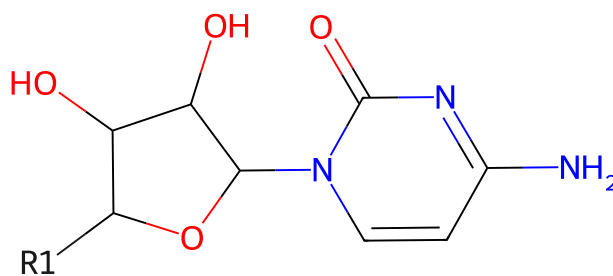

451 scaffold of cladribine

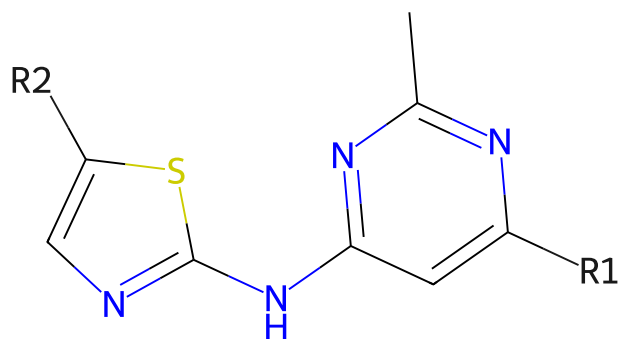

452 scaffold of clozapine

453 scaffold of cyclobenzaprine

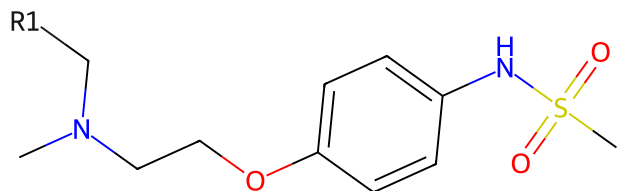

454 scaffold of cytarabine

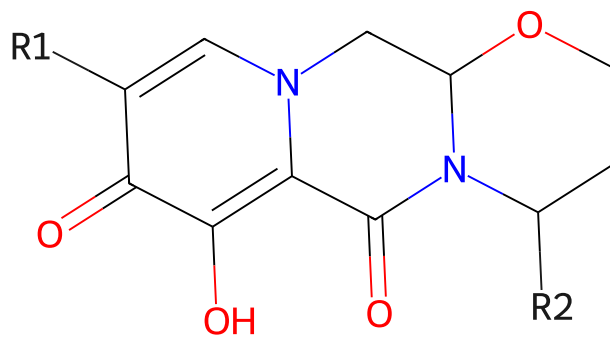

455 scaffold of dasatinib

Figure 1. Generic scaffolds with variable substituents, part 2 (6 per page, line width 2.0).

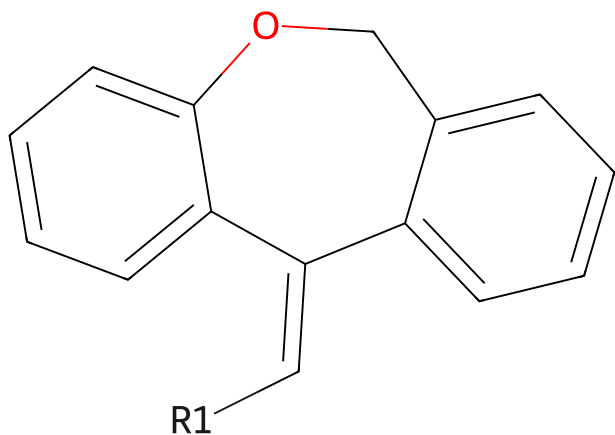

Generic scaffolds with variable substituents, part 2

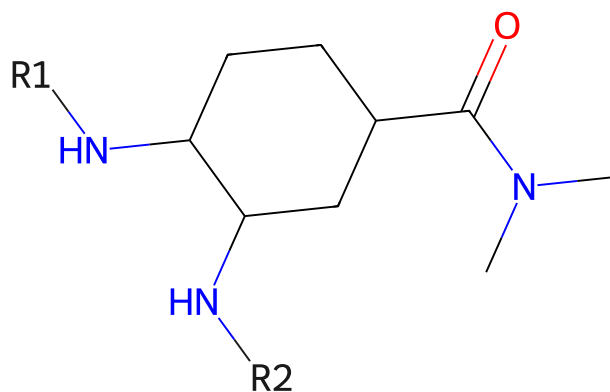

456 scaffold of dofetilide

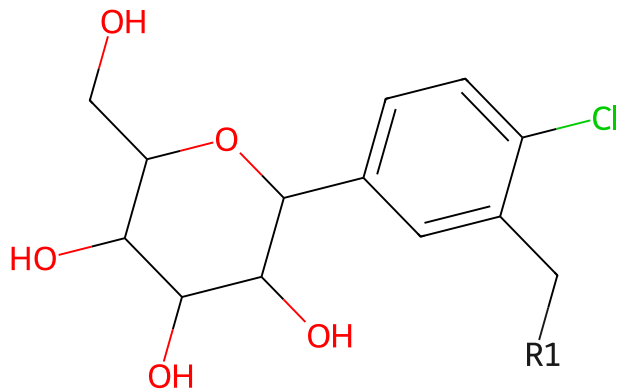

457 scaffold of dolutegravir

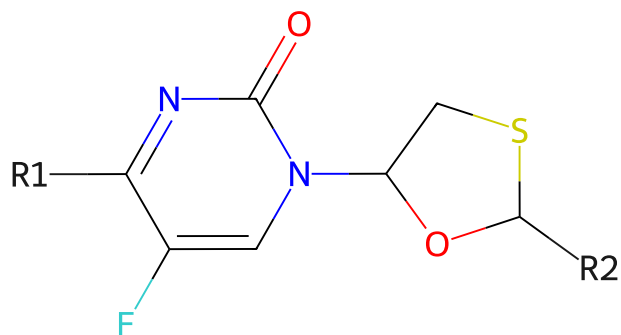

458 scaffold of doxepin

459 scaffold of edoxaban

460 scaffold of empagliflozin

461 scaffold of emtricitabine
