

Generic scaffolds with variable substituents, part 5

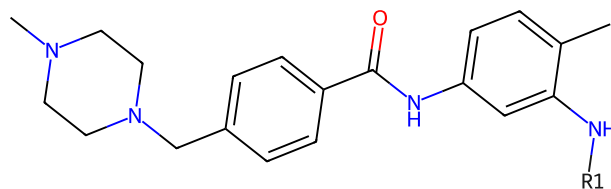

486 scaffold of gtp

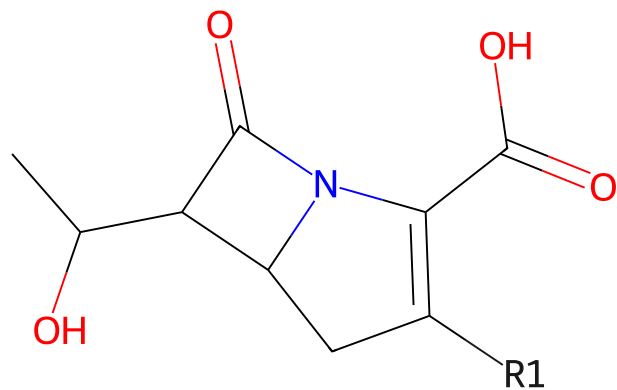

487 scaffold of haloperidol

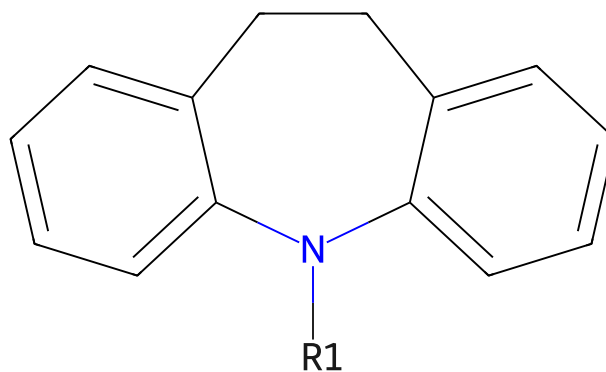

488 scaffold of hydroxychloroquine

489 scaffold of imatinib

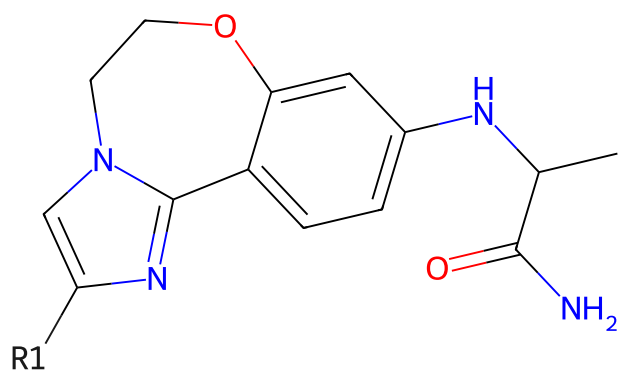

490 scaffold of imipenem

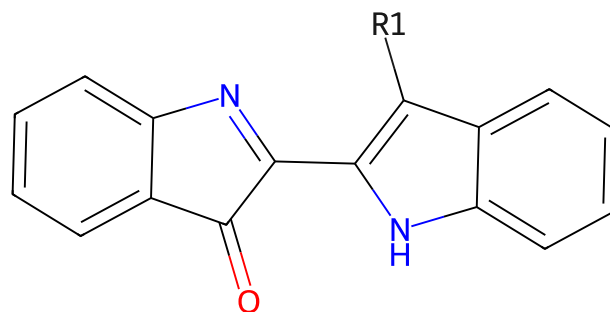

491 scaffold of imipramine

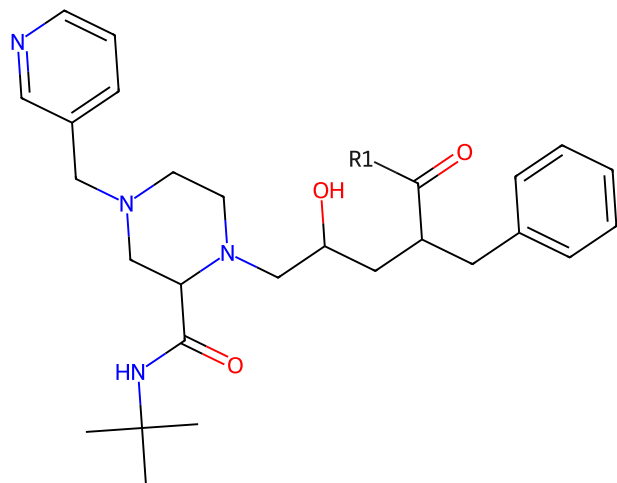

Generic scaffolds with variable substituents, part 5

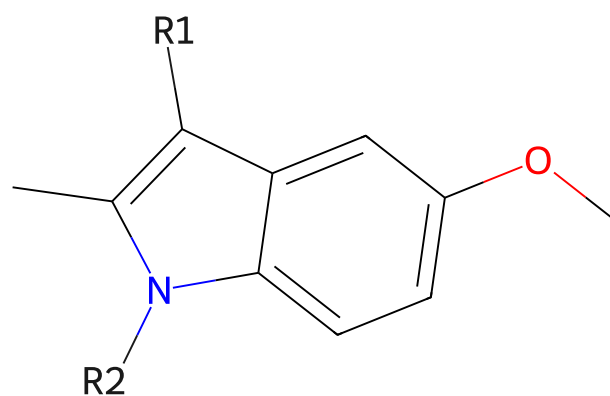

492 scaffold of inavolisib

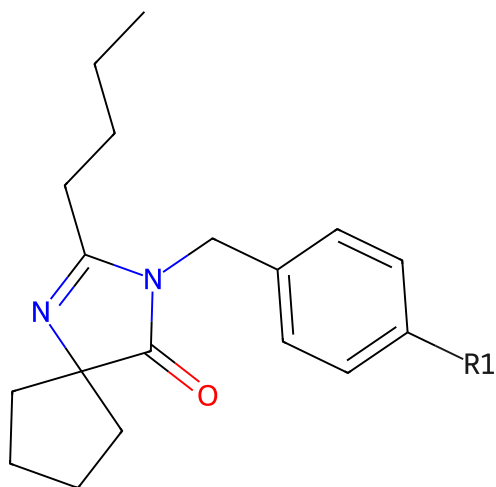

493 scaffold of indigo

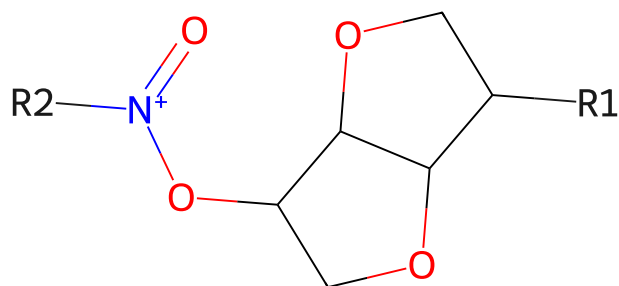

494 scaffold of indinavir

495 scaffold of indomethacin

496 scaffold of irbesartan

497 scaffold of isosorbide dinitrate
