

Stereochemically defined compounds, part 1

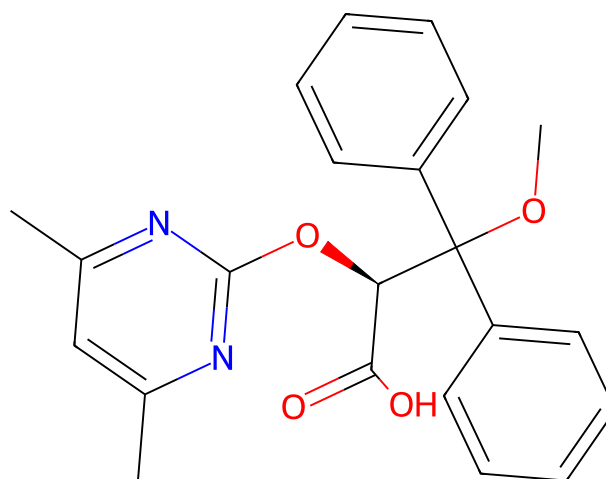

67 alogliptin

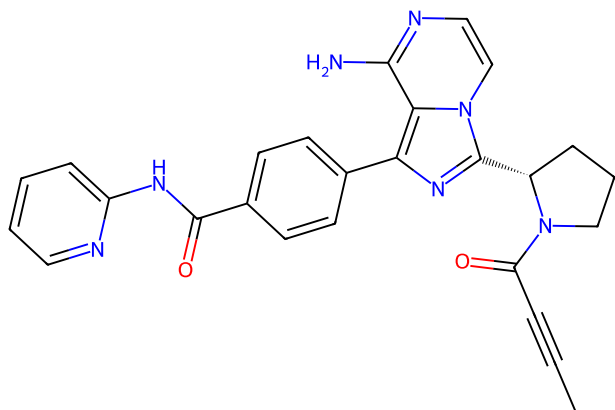

68 abediterol

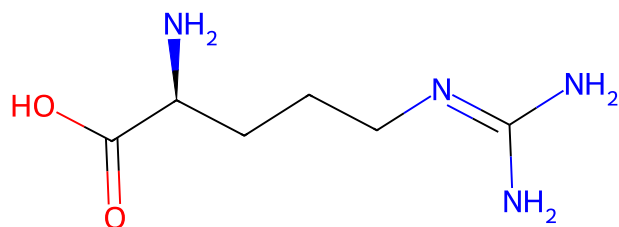

69 alanine

70 ambrisentan

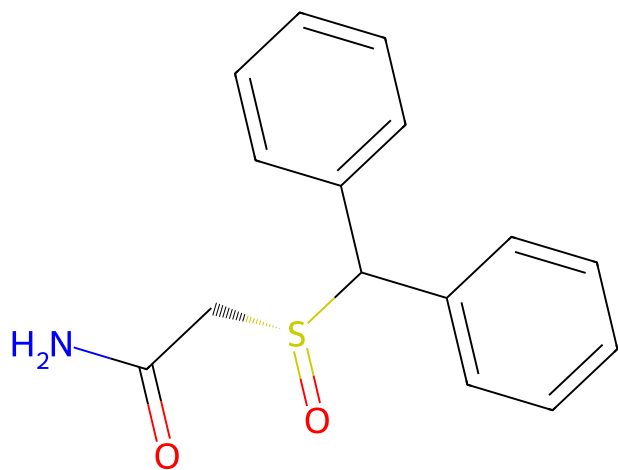

71 acalabrutinib

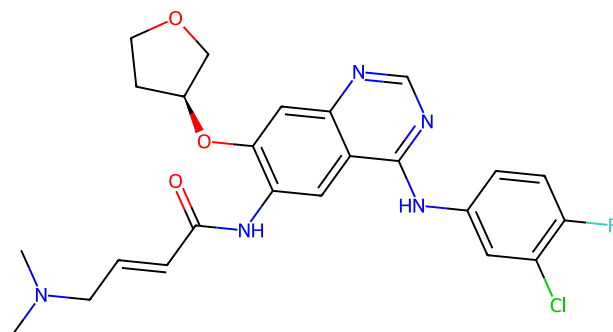

72 arginine

Figure 1. Stereochemically defined compounds, part 1 (6 per page, line width 2.0).

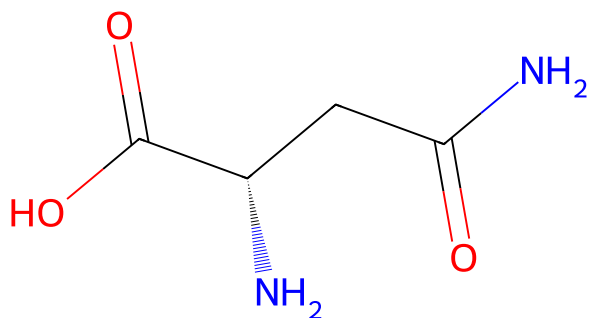

Stereochemically defined compounds, part 1

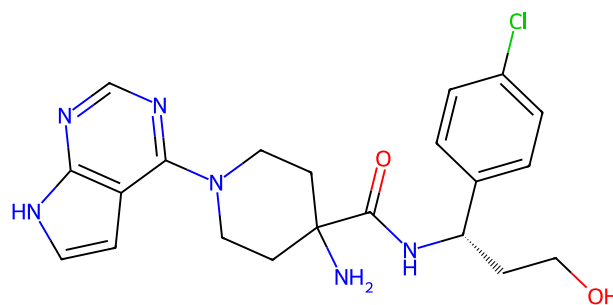

73 armodafinil

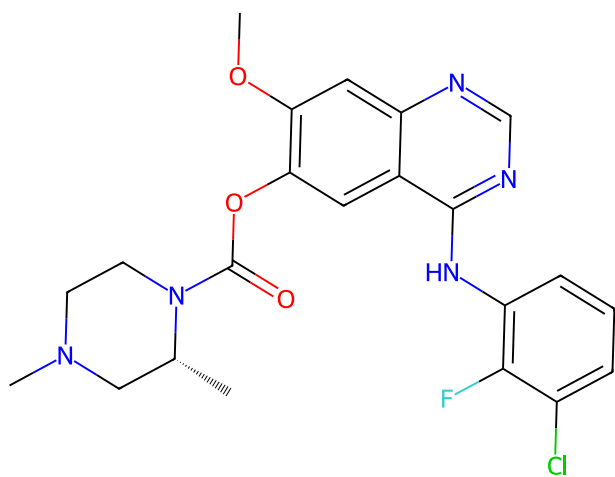

74 afatinib

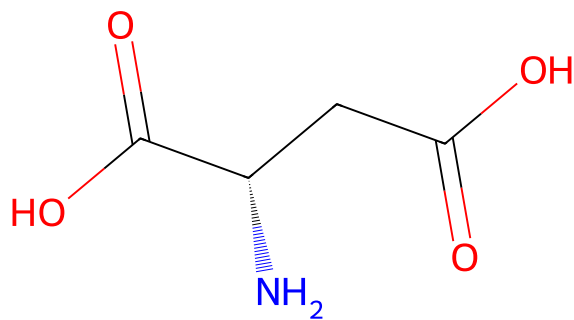

75 asparagine

76 azd5363

77 azd3759

78 aspartic acid
