

Stereochemically defined compounds, part 2

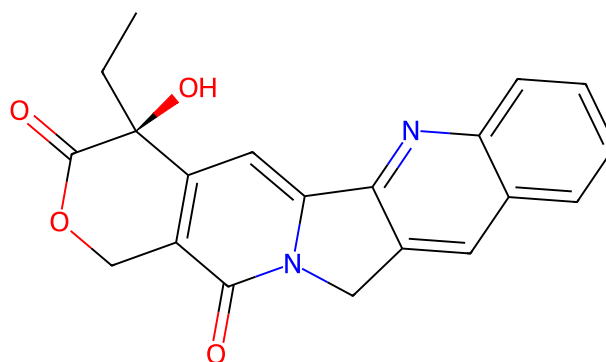

79 brinzolamide

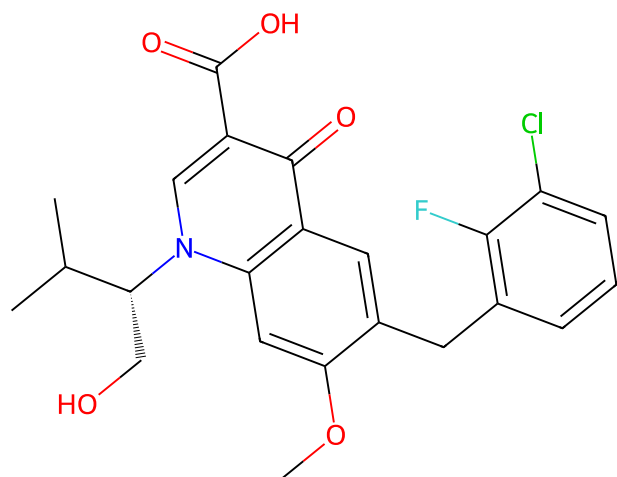

80 elacestrant

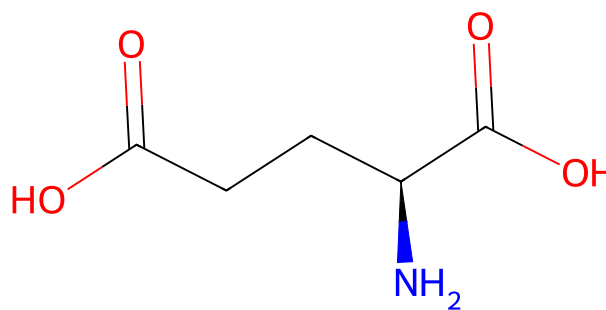

81 epinephrine

82 camptothecin

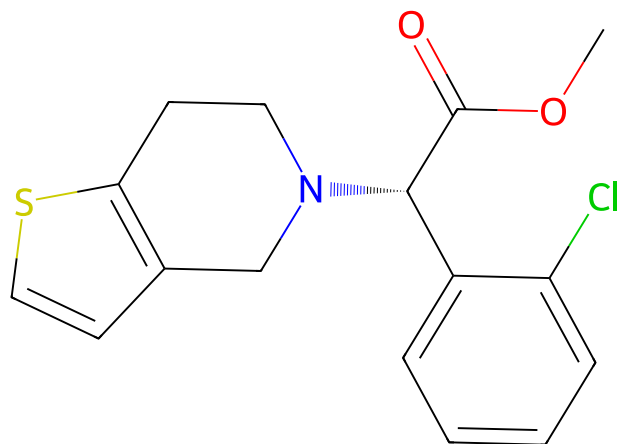

83 elvitegravir

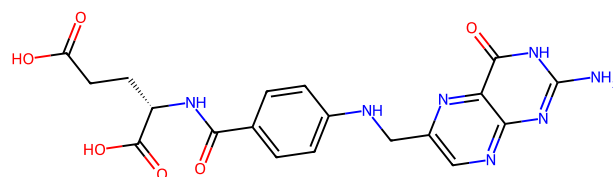

84 glutamic acid

Figure 1. Stereochemically defined compounds, part 2 (6 per page, line width 2.0).

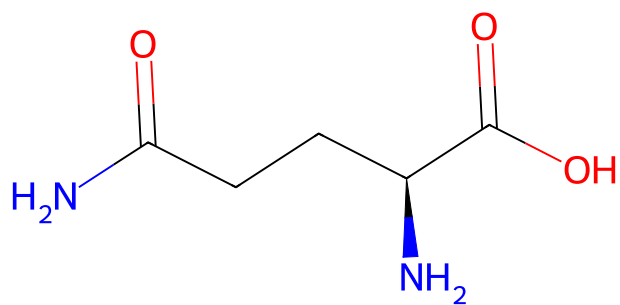

Stereochemically defined compounds, part 2

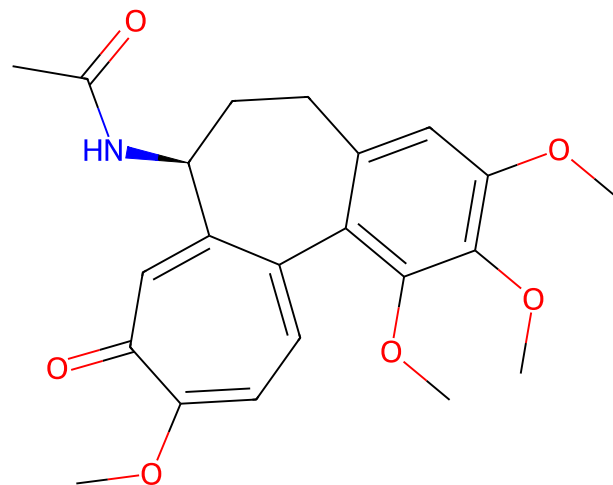

85 clopidogrel

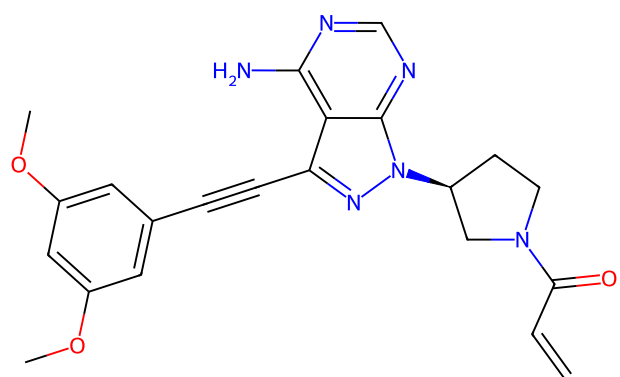

86 folic acid

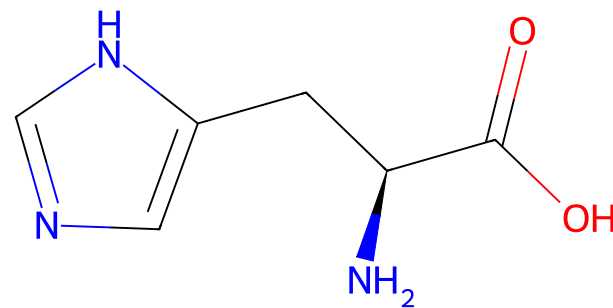

87 glutamine

88 colchicine

89 futibatinib

90 histidine
