

Stereochemically defined compounds, part 5

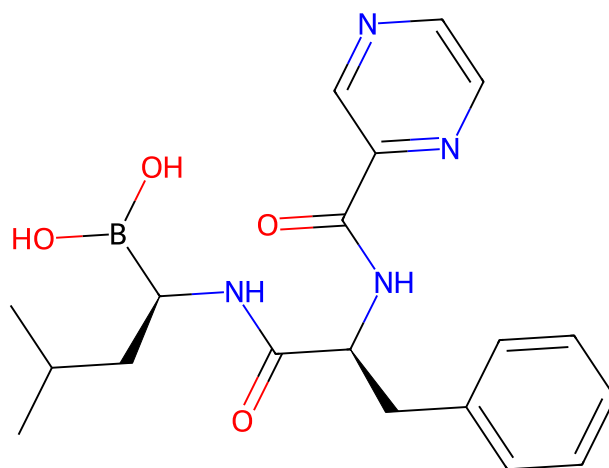

115 biotin

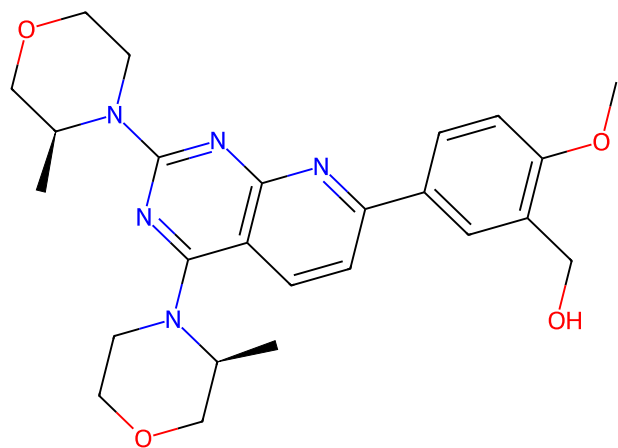

116 azd4547

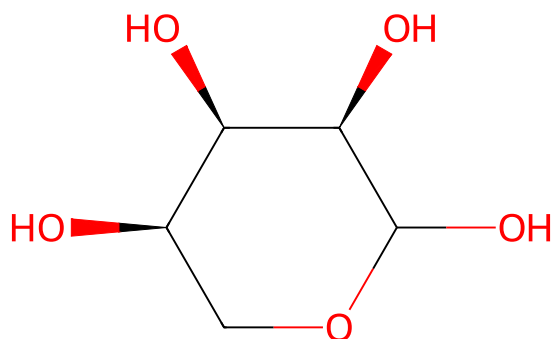

117 pseudoephedrine

118 bortezomib

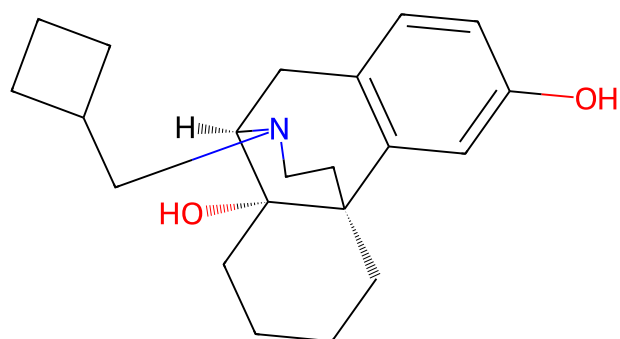

119 azd8055

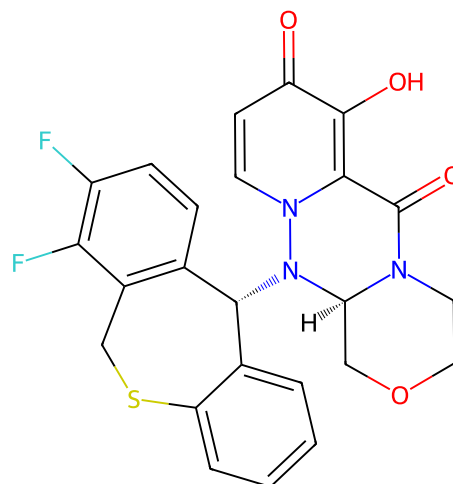

120 ribose

Figure 1. Stereochemically defined compounds, part 5 (6 per page, line width 2.0).

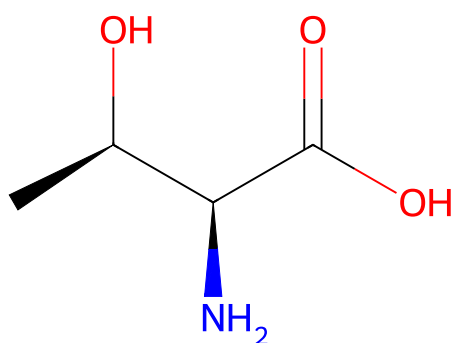

Stereochemically defined compounds, part 5

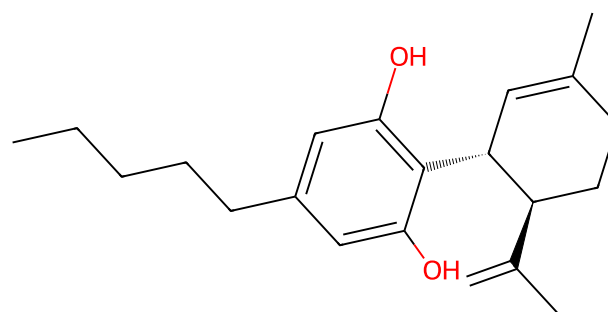

121 butorphanol

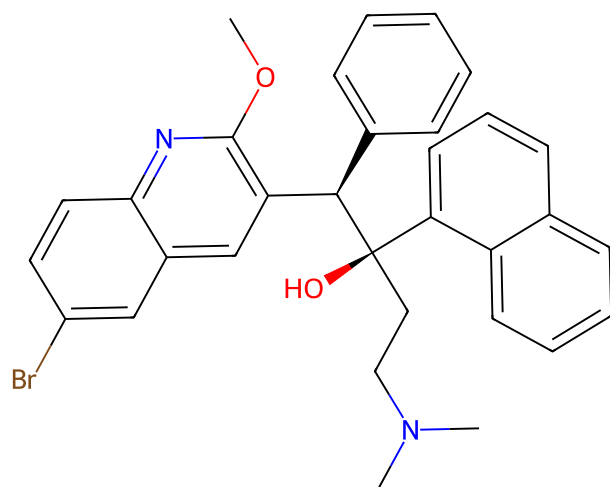

122 baloxavir

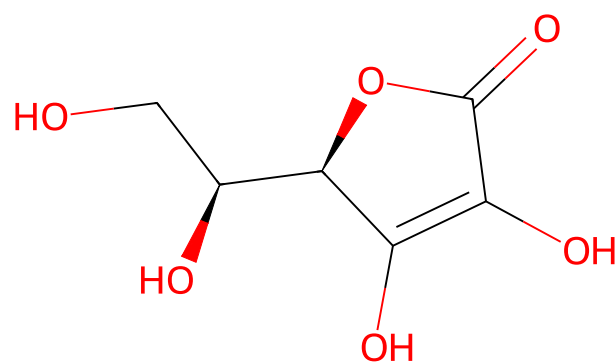

123 threonine

124 cannabidiol

125 bedaquiline

126 vitamin c
