

Stereochemically defined compounds, part 9

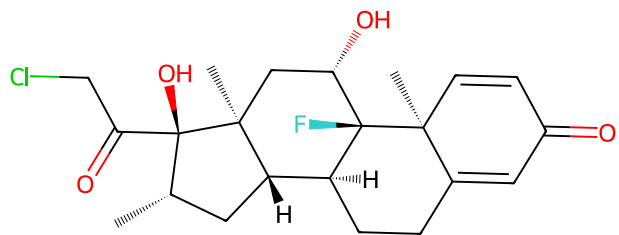

163 clindamycin

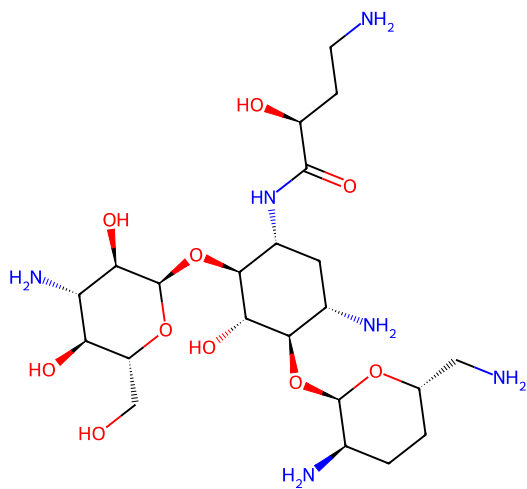

164 amikacin

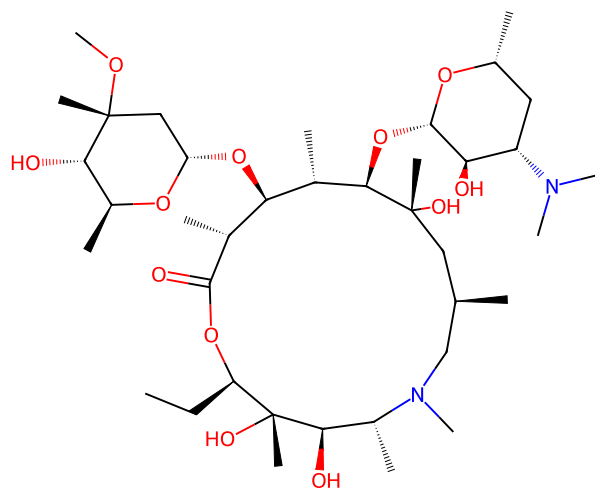

165 anidulafungin

166 clobetasol

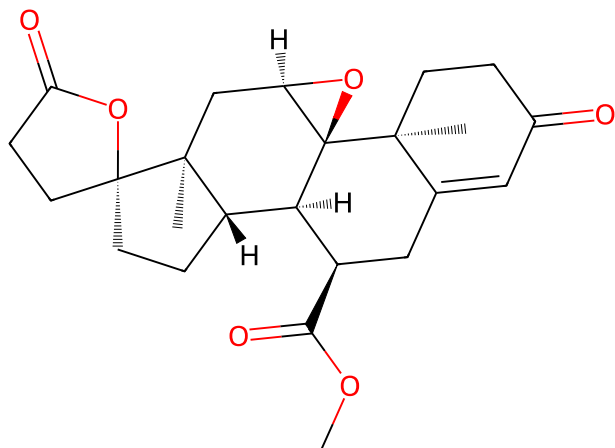

167 arbekacin

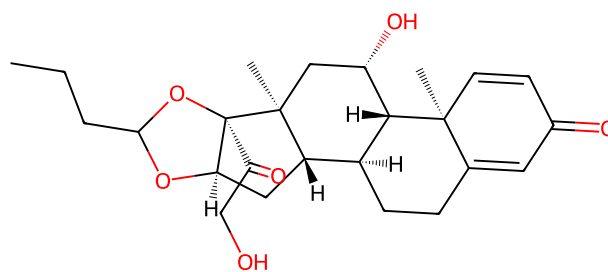

168 azithromycin

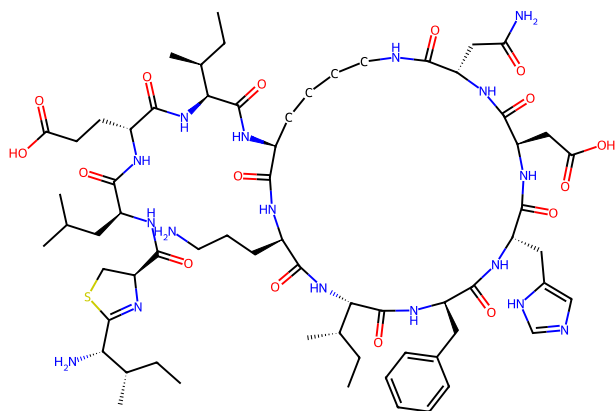

Stereochemically defined compounds, part 9

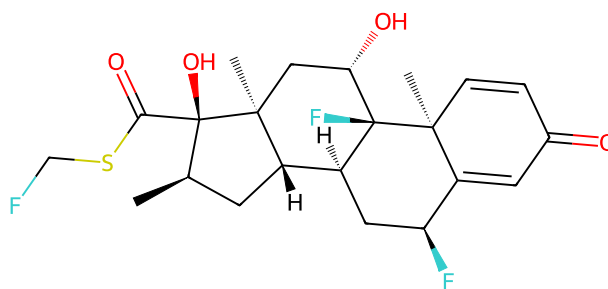

169 eplerenone

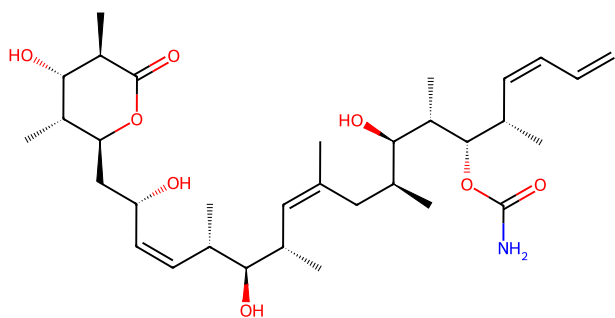

170 budesonide

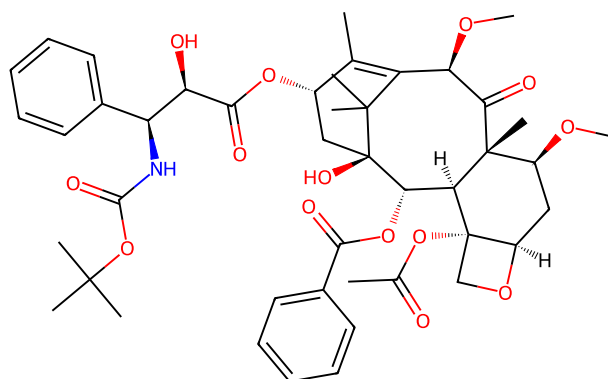

171 bacitracin A

172 fluticasone

173 discodermolide

174 cabazitaxel
