

Generic scaffolds with variable substituents

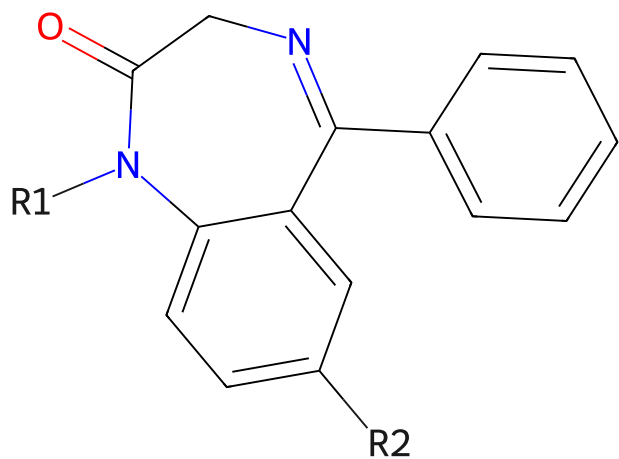

81 fluoroquinolone core

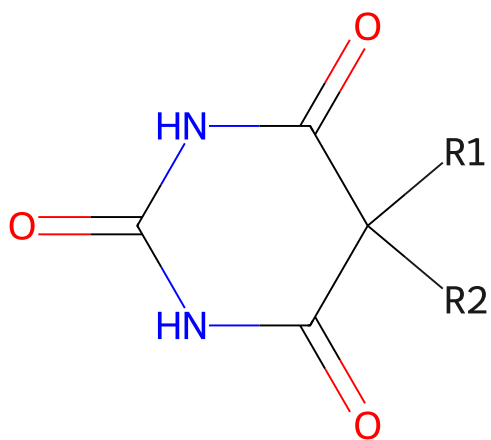

82 penicillin core

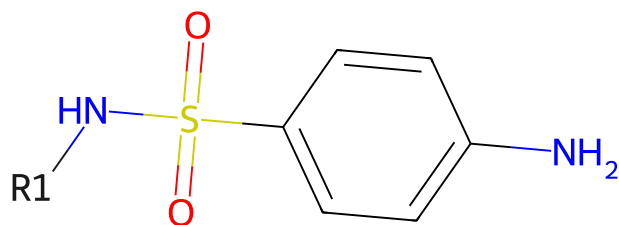

83 cephalosporin core

84 1,4-benzodiazepin-2-one core

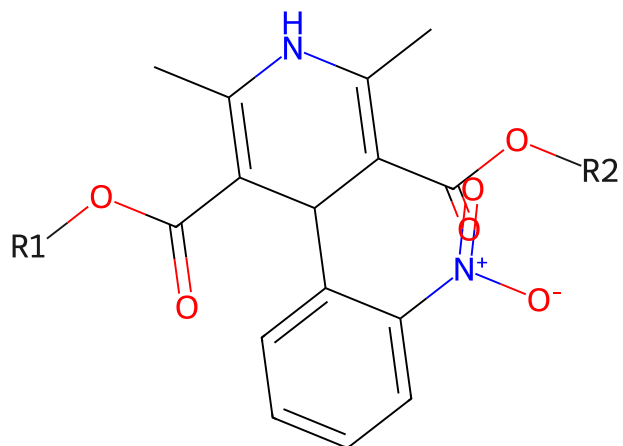

85 barbiturate core

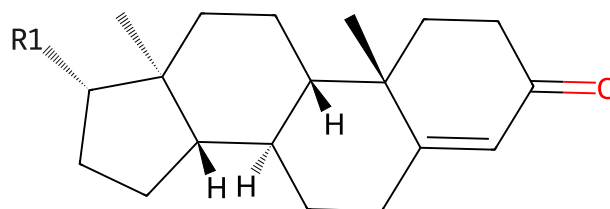

86 sulfanilamide core

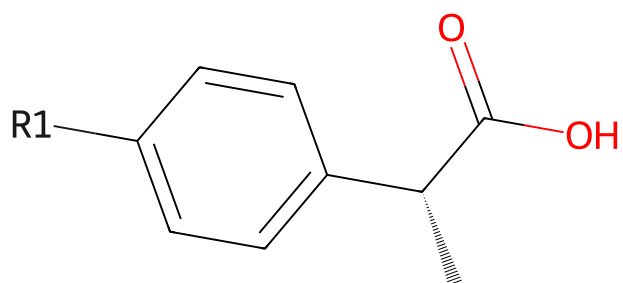

Generic scaffolds with variable substituents

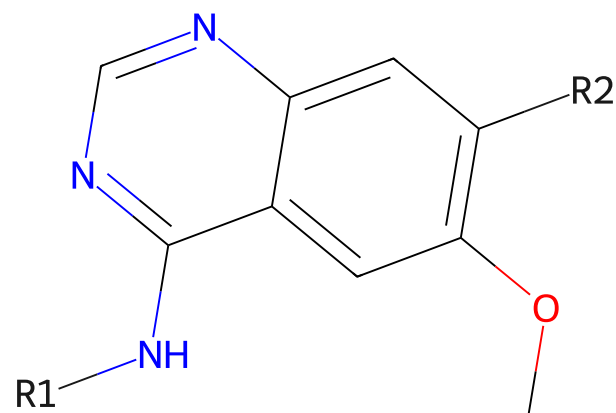

87 1,4-dihydropyridine core

88 androstane core

89 2-arylpropionic acid core

90 4-anilinoquinazoline core
